

NATIONAL BANK OF THE REPUBLIC OF NORTH MACEDONIA

Pursuant to Article 48 paragraph 1 item 2 of the Law on the National Bank of the Republic of North Macedonia (Official Gazette of the Republic of Macedonia No. 158/10, 123/12, 43/14, 153/15, 6/16 and 83/18 and Official Gazette of the Republic of North Macedonia No. 110/21 and 74/24) and item13 of the Decision on the contents and the manner of functioning of the Credit Registry (Official Gazette of Republic of Macedonia No. 186/13 and 74/15 and Official Gazette of the Republic of North Macedonia No. 146/20 and 53/24), the Governor of the National Bank of the Republic of North Macedonia adopted the following

INSTRUCTIONS

amending the Instructions for implementing the Decision on the contents and the manner of functioning of the Credit Registry

(Official Gazette of the Republic of North Macedonia No. 156/24)

- 1. In item 6 paragraph 1 of the Instructions for implementing the Decision on the contents and the manner of functioning of the Credit Registry (Official Gazette of the Republic of Macedonia No. 14/14, 83/15 and 225/15 and Official Gazette of the Republic of North Macedonia No. 116/19, 110/20 and 71/23, in indent 7, the full stop at the end of the sentence shall be replaced by semicolon, followed by a new indent 8 that reads as follows:
 - "– Annex 8 Codes for the purpose of the loans approved to legal entities, retailers, banks, non-bank financial institutions and other clients."

Paragraph 2 shall be amended and read as follows: The annexes referred to in paragraph 1 of this item shall be an integral part of these Instructions".

2. Item 8 shall be amended and read as follows:

"Banks or savings houses may use the following aggregate data and information from the Credit Registry:

- name of a legal entity, i.e., name and surname of a natural person;
- total amount and structure of credit exposure of all banks and savings houses to individual client;
- total number of banks and savings houses exposed to a credit risk from individual client;
- total number of credit agreements;
- total amount of impairment, i.e. allocated special provisions of all banks and savings houses for individual client;
- data on collateral;
- total amount of restructured loans;
- maximum number of days of delay in the settlement of liabilities and the respective amount;
- total amount of the exposure for which the client is an endorser (if the client is an endorser) on the reporting date;

- purpose of exposure to a client natural person;
- total amount of reported written off claims;
- amount of annuity;
- amount of deposit-backed loans;
- latest data on DSTI and TDTI ratios and/or LTV ratio, including the calculation date;
- number of co-borrowers;
- data on the purpose, type of collateral, total exposure and date of first approval date under these Instructions, of each property-backed credit agreement of a natural person according to collateral codes from 006 to 011 in accordance with Annex 4 – Codes for the type of collateral under these Instructions);
- other data and information."
- 3. Annex 1 List of input data, shall be replaced by a new Annex 1 List of input data", which is an integral part of these Instructions.
- 4. Annex 7 Correction Report, shall be followed by a new Annex 8 Codes for the purpose of the loans approved to legal entities, retailers, banks, non-bank financial institutions and other clients, which is an integral part of these Instructions.
- 5. These Instructions shall enter into force on the eighth day from the date of publication in the Official Gazette of the Republic of North Macedonia, and shall apply from 1 January 2025.

I No. 02-27220/1 24 July 2024 Skopje Anita Angelovska Bezhoska Governor

Annex 1List of input data

Ref. No.	Tag name	Tag description	Obligatory entry
1	2	3	4
No.	-		J , ,
		05– retailers**. Enter the aggregate amount of all retailers' credit agreements below the limit defined in the Decision, divided by risk category, currency, retailers code according to Annex 2 of these Instructions, purpose of credit agreement according to Annex 8 of these Instructions and type of impairment/special reserve.	
		06 – banks. Enter each bank.	
		07 - non-bank financial institutions. Enter each non-bank financial institution.	
		08 – other clients (references: Guide for classification according to institutional sectors: central government, local government, social insurance funds, nonprofit institutions serving to households).	
		09 – retailers. Enter each natural person*.	

		* One person can be registered as both a natural person and a retailer, depending on whether it uses the loan as a natural person, or for business. ** Note: The total amount for types 03 – households, 04 – legal entities and 05 -	
		retailers should not exceed 5% of total	
		credit exposure.	
2	Rez	Code for resident (R)/non-resident (N)	Yes
3	Kod	Code for unique identification in RM:	Yes
		Identification number: for resident legal entity and for retailer.	
		NINC: for resident natural person.	
		'000000000001' for aggregate amount "households".	
		'0000000xxxxx2' for aggregate amount "legal entities" (xxxxx shall be the main activity of the group; e.g. enter '0000000020002' for "pdejnost" = 02).	
		'0000000000003'- for aggregate amount "retailers".	
		Code for non-resident legal entity. Code entering procedure: country code (2 characters) + UCIN in the domicile country (without special characters); for example: IT4064488.	
		Code for non-resident natural person. Code entering procedure: country code (2 characters) + passport number (without special characters); for example: IT235617G8.	
		Code for foreign banks. Code entering procedure: country code (2 characters) + SWIFT code of the foreign bank.	
4	Danbr	Tax number for resident legal entities.	For types = 01, 06, 07, 08 and 09 only.
5	Naziv	Title of the legal entity.	Yes, except for type = 02. For type = 09 this tag shall be filled in for sole proprietors with registered activity only. Enter the following description (households, legal

			entities, retailers) for types = 03, 04 and 05.
5-a	Golemina	Size of a legal entity determined under the law: G - large; S - medium; M - small; Z - micro.	For types = 01 and 09 only.
6	Ime	Name of the natural person.	For types = 02 and 09 only.
7	Prezime	Surname of the natural person.	For types = 02 and 09 only.
8	Grad	Municipality, in accordance with Annex 5.	For residents only. Do not fill in this tag for types = 03, 04 and 05.
9	Drzava	Country	Yes
10	pdejnost	Main activity of legal entities (enter at least four-digit code of activity in accordance with the Decision on adopting the National Classification of Activities - NCA Rev. 2.1).	For types = 01, 04, 06, 07 and 08 only.
11-1	brKP	Number of credit agreement, each bank shall present it in its own format. If within the same credit agreement there are claims denominated in different currencies or part of the credit agreement is secured by a cash deposit that meets the requirements for a first class security instrument defined in the National Bank regulation on credit risk management methodology, the same credit agreement number shall be reported by adding the label "/x". Example 1, for principal in denars with FX clause, enter: "no. of credit agreement/1", for commission in denars, enter: "no. of credit agreement/2", etc. Example 2, for a credit agreement which is partially secured by a cash deposit, for the part secured by the cash deposit, enter: "no. of credit agreement/1", while for the part of the credit agreement unsecured by cash deposit, enter: "no. of credit agreement/2, etc.	Yes

11-2	brKPS	Number of old credit agreements. If in	Yes, for the cases
		the restructuring, maturity extension or	provided for in column
		modification in contractual terms, the bank	3.
